

**Barn Quilt Tours of Carver County MN
Open Registration Tour
Thursday, May 24th, 2018**

Join us on a relaxing guided day tour as we explore Carver County, Minnesota, home to one of the largest open-air galleries of art and barn quilts

Hop aboard a coach tour bus, as we start our tour to see a number of **Barn Quilts** in eastern Carver County. Made for barns, not beds, “barn quilts” are quilt patterns, drawn to scale and painted on wooden panels that are hung on exterior walls of historic barns. These beautiful pieces of artwork highlight the art of quilting while showcasing Carver County’s historic agricultural icons.

We’ll start our day with a stop at **Ruby’s Roost Bakery & Coffee Shop** in Victoria. This quaint bakery, located in the historic Notermann building not only has great bakery items, but showcases lovely art as well. See a **mini barn quilt** & grab a coffee as we get started!

After touring the beautiful countryside, we’ll enjoy lunch at the **Victoria House**. This local restaurant welcomes guests with great lunch options, beverages and offers a beautiful view of Steiger Lake.

Barn Quilts are at the **501 Shop** in Chaska as well! See this one-of-a kind shop carrying vintage, home, art and garden décor, along with barn quilts! Meet the Barn Quilt Artist – Suzanne Thiesfeld!

Barn Quilt gifts, souvenirs and books will be available, accompanied by a local and popular author of the *Barn Quilts of Carver County* book. Each tour guest will receive a complimentary professionally photographed Barn Quilt Tour pamphlet.

The barn quilts are a permanent display of artwork and part of the fabric of our community. We invite you to accompany us on this popular day trip destination and experience how community, countryside and culture meet.
